Dear Parents,

Our website at [www.porteracademy.org](http://www.porteracademy.org) provides information about the school, our curriculum and staff. In following the old adage “a picture is worth a thousand words”, we post pictures of our students/campers that demonstrate a typical day, on our website. We are also featured in marketing publications and local newspapers throughout the year. For these, pictures are submitted and used as well. Please know that we NEVER include a child’s name with a photo and your child’s picture will NEVER be used without your authorization.

Please complete the form below. Thank you for your consideration.
